### More details

We will be asking you to attend 5 meetings from February to June 2021 (1 per month) and work with us on developing ideas and 'top tips' outside of those meetings. We estimate 35 hours maximum over the project.

We are able to provide a small payment for attending each meeting and other time you give, paid at the end of the project.

The first meeting will be on Tuesday 23rd February 2021 from 2-4pm. The majority of meetings will be virtual. Depending on guidance at the time, we'd like to have the last meeting face-to-face in London and would pay for travel.

Depending on how many people express an interest we may not be able to ask everyone to join us on this project, but we'd be really interested in staying in touch and thank you in advance for your interest.
