

Interested in linking young people  
from schools and youth  
organisations with older people  
living in care homes?

Join our free webinar!

Wednesday 7th October  
4 - 5:30pm

Hear more about:

Our **free** materials and resources

How a **tailor-made programme of work** could  
help you make intergenerational linking a  
possibility

Applying for a **grant** from The Dunhill Medical  
Trust to create a new intergenerational linking  
project in your local area  
(funding criteria applies)

**Our project aims:**

Building meaningful relationships  
Understanding community  
Reducing isolation  
Encouraging creativity  
Developing leadership skills  
Co-creating together
